

Dallastown Early Childhood Website

Visit Dallastown's Early Childhood website to find resources to aid in the beginning phase of your child's upcoming Kindergarten pathway to success.

We fully believe that a high-quality childhood education is one of the best investments we can offer to our community. Early childhood activities can have a lasting impact on brain development of young children.

You can find early childhood resources at the following page: www.dallastown.net

1. Select an elementary school from the **SCHOOLS** drop down

2. Select **EARLY CHILDHOOD** from the scroll bar at the top of the page. You can find this same heading under every elementary school.

3. Visit the Overview page and select other topics from the left side of the page.
