

# COURTYARD OF HONOR

*“In Honor of Your Service to Our Country”*

The Courtyard of Honor, located at Dallastown Area Middle School, is a beautiful outdoor venue which honors veterans from each branch of the U.S. Armed Forces. Dedicated in 2011, the Courtyard also serves as an outdoor classroom and meeting space and is maintained by the employees and students of Dallastown Area School District, members of the Dallastown Area Educational Foundation, and other community volunteers. We thank you for your support of this tribute to those who serve!
